## HOW TO FIND US

As in previous years, the event will be run on the old Princes Dock in the very centre of the city of Hull, alongside the Princes Quay Shopping Centre. This has proved to be a very popular venue with competitors, particular because of all the shops in the area and the availability of refreshments from a wide variety of outlets nearby.

High vehicles should be left in the coach park on Waterhouse lane. Please not vehicles may get blocked in for the full day.

### **Referees**

To ensure a high standard of refereeing, please ensure that your team provides a suitably qualified referee.

We are aware that Princes Quay is one of the hardest places to referee with the floating platforms and quayside mooring bollards to watch out for.

## REFRESHMENTS

We have arranged for cooked Breakfasts to be available from McCoys (Princes Dockside, directly opposite Princes Quay) from 7.30 am onwards on both days of the tournament.

There are other food outlets within the Princes Quay shopping complex (but please note the shopping complex does not open until 9.00 am Saturday & 10.00 am Sunday.)

**Prince's Quay have supported us in running this event for a number of years, therefore people respect their requests:**

- **Do not enter Princes Quay in wet canoeing clothes**
- **Do not climb on the barriers around the balcony**

## ENTERTAINMENT

### **Saturday Evening Social & Refreshments at the Campsite:**

We have organised a **subsidised bar** at the campsite on Saturday evening with a varied menu for food.

E.g.                      Steak and Mushroom Pie with chips  
                                 Veg curry chips & rice  
                                 Cajun chicken salad & chips  
                                 Lasagne

**Tickets £6.25 and will be available from the information tent.**

To assist the caterers tickets must be purchased by 12 Noon Saturday.

We had excellent reports last year so please support us again.

## REFEREES' AND TEAM INFORMATION

Prince's Quay has recently redeveloped their waterfront area and we can no longer access the pontoons from the balcony; therefore refereeing schedules will differ dependent on the pitch.

**This year the first name team will provide the wet side referee for the game immediately after the one they've just played. The second name team will then provide the Dry side referee and a time keeper for the next but one game. We appreciate the changeover is going to be tight we therefore urge all teams to keep celebrations to a minimum and to be on time for their allocated duties.**

To accommodate the number of teams that required entries to this year's tournament we have had to make a very tight playing schedule. To ensure that the event keeps to time and that referees are always available at the commencement of each game we require **teams to take note of their refereeing and be available on time.**

Therefore please ensure that you have adequate warm clothing available nearby (clothing can be left with the timekeeper prior to your match.) Whistles and bibs (which **must** be worn) will be available at each ref's position.

If your team has a non-playing referee it would save time if they were available to referee on the side away from the pontoons. (Quayside).

We would ask that you make every effort to get off the water and be at your station as soon as possible. To assist please keep congratulations, commiserations, handshakes, hugs, kisses etc. to the bare minimum.

There is only a 2 minute changeover between each game and if teams are not on the water at the time of their game they will forfeit the points.

Scrutineering checks may occur during the weekend.

Time outs must be kept to a minimum.

It is essential that teams are aware of the running order and arrive on time for games.

If a result is required, then the Golden Goal rule will apply :

Two periods of THREE minutes each way will be played, and between halves change ends. ONE minute half time.

If at the end of extra time there is still no result then a TIEBREAKER SHOOT OUT will apply.

**YOUR ASSISTANCE IN KEEPING THE COMPETITION ON TIME WILL BE GRATEFULLY APPRECIATED. TEAMS NOT ON TIME MAY FORFEIT POINTS.**
