IMPORTANT NOTICES:

Note that safety cover must be organised and provided by the canoeists themselves.

This river is NOT suitable for novices.

There has recently been, and will be on going, changes to the river bed so ask the organiser for advice about these before paddling the river.

Although we expect all events to take place, there is always the possibility of cancellation (too little or too much water) which is beyond our control.

Confirmation will be obtained at least 14 days before discipline events, 10 days before weekend cruises and 7 days before weekday events. If a longer-term assessment is required then contact Norman Taylor who will advise accordingly.

All participants should therefore ensure that the event is on, by contacting the Washburn Information Line on 0845 8338 654 or tweet us @WashburnPaddling.

These will state clearly whether or not a release for the event has been confirmed by Yorkshire Water. Please avoid contacting the organisers for this information. There may be unavoidable changes during the year so use bcuwashburn@gmail.com to obtain the latest calendar.

Cruise Charges

These are dependant on the Event Organiser but usually Weekend daily charges are £6 (Juniors), £10 (Adults).

Weekday Cruise Charges are £5 (Juniors), £6 (Adults).

All events have a mandatory surcharge of £4.50 (be warned!) if a current BCU Membership Card is not presented. This surcharge applies except where club members can demonstrate that they are covered via their club affiliation to the BCU AND that the club calendar specifically includes the event.

All Rafts and Raft guides MUST register before the event with the Washburn Committee and carry their own insurance.
