

ECM Monday 24 October 2016

Present: - Andy Davies, Dave Rawding, Meg Rudkin, Scott Rudkin, Alan fisher, John Dickens, Marie Dickens, Alan Dickens, Linda Mackenzie, Jo Baglin, Duncan Berriman, Sue Burgess

Apologies: - Gareth Jones

A recent grant application was rejected on the grounds that our constitution does not clearly show that KKC is a non-profit making organisation. This was discussed at committee and it was agreed that the constitution should be amended to clarify our position. It was also agreed that we should take this opportunity to make other minor amendments as detailed below.

The proposed constitution was circulated by email to all club members and copies were available in the club house for people to consider. Comments and suggestions were invited. Gareth Jones responded that he agreed to the amendments, no other responses were received

Andy outlined the changes to the constitution that were being recommended. The amendments were as follows: -

- References to the BCU have been deleted and changed to British Canoeing
- It has been made clear that KKC are a non-profit making organisation
- The rules concerning membership fees have been amended – if membership fees have not been paid within 6 weeks of them being due an additional charge will be made

Andy Davies proposed the changes

Dave Rawding seconded

The vote to accept the changes was unanimous

The new constitution will be adopted from immediate effect
